

My Team and I are Here to Accomplish Your Goals

I am with you during this unusual pandemic. Doing our part to prevent the spread of COVID-19 and being available to answer all your Real Estate Questions. The Birmingham Metro has not seen a market like this. We do not have enough listings to meet the buyer demand while Interest Rates are at historical lows.

WE ARE OPEN FOR YOUR REAL ESTATE NEEDS

No Contact Home Previews via FaceTime or Zoom. We can also provide a professional grade property video

No Contact Property Evaluation and Listing Appointments. We have the capability of being completely Paper Free.

Office/Unpublished Listing Agreements are available to limit your public exposure as much as possible.

We do our best to reduce the risk of exposure to our clients by limiting the number of people in your home and provide as many protective measures, like gloves and sanitizing spray as possible.
